(b) Organization of the work of the session

3. The agenda comprehensively covers all aspects of the implementation of the Convention, many of the Paris Agreement and some of the Kyoto Protocol. It is essential that Parties continue to work diligently on all agenda items to ensure balanced progress. The Conference of the Parties (COP), at its twenty-third session, reiterated its request to the subsidiary and constituted bodies to accelerate their work on the work programme under the Paris Agreement and to forward the outcomes to COP 24 at the latest.[3] The SBI will call on Parties to support its response to that request. Furthermore, the SBI will continue its collaboration with the other subsidiary bodies and will enhance it, as appropriate, as the deadline for the delivery of the work programme under the Paris Agreement fast approaches.

4. Detailed information on the work of the session will be posted on the SBI 48 web page.[4] Delegates are invited to refer to the overview schedule and the in-session Daily Programme[5] and to regularly consult the closed-circuit television screens for an up-to-date schedule of the work of the SBI. In order to maximize negotiation time and ensure timely closure of the session, presiding officers will propose, in consultation with Parties and in a transparent manner, time-saving approaches to the organization and scheduling of meetings during the session, taking into account previous relevant SBI conclusions.[6] In this context, the presiding officers of the SBI, the Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Ad Hoc Working Group on the Paris Agreement (APA) will propose cut-off times for group work and deadlines for the submission of conclusions to ensure that they are available in all six official languages of the United Nations for the closing plenary.

5. The 5th facilitative sharing of views under the international consultation and analysis (ICA) process of biennial update reports (BURs) under the SBI[7] will be convened at this session for the developing country Parties that have submitted a BUR and for which a
